By signing this agreement, you (the author(s) or other copyright owner) hereby grant the publisher the right to reproduce and/or distribute your article (including the abstract) in a printed and/or electronic medium. You agree that the publisher may publish your article in the publication named above (SST). In return, the publisher agrees to publish your article at its own expense.

Your article is published under a Creative Commons license. You grant us the right to publish the article using the CC BY-SA license. You can find the legal code regarding this license here: <https://creativecommons.org/licenses/by-sa/4.0/legalcode.en>

If your article contains material (text, images, or illustrations) which is someone else's copyright, it is the author's responsibility to obtain permission from the copyright owner (please attach evidence of this); this material (typically figures, illustrations and photographs) must be clearly identified and acknowledged within the text (or within the caption of the corresponding figure). Please use the text: "Credit: XYZ; used with permission." By signing this agreement, you declare that your article does not, to the best of your knowledge, contain anything which is libelous, illegal, or infringes anyone's copyright or other rights. The author(s) assume full and sole responsibility for the rights of use of the material (text, images, or illustrations) submitted. If rights holders approach the publisher with claims, these will be passed on to the respective author or authors.

The publisher promises to respect your rights as the author(s), i.e. make sure that your name(s) is/are always clearly associated with the article and, while you do allow the editor and the publisher to make necessary editorial changes, we will not make any substantial subject-matter alteration to your article without consulting with you and having obtained your approval. The final product shall either be accepted by the publisher or rejected.

Once your article has been accepted, we undertake to publish it as soon as reasonably possible, aiming for the next scheduled issue of SST. If your article is rejected, this agreement is automatically cancelled, and all rights revert to you.

On publication, we will send you a free copy of the issue in which your paper is included. For digital publications, all authors are provided with a file in PDF format. This file shall be downloadable by the author.
